Supports mobile, desktop PC, or Mac browsers including MicroSoft Internet Explorer™, Google Chrome™, Firefox™, Opera™, Apple Safari™ & mobile platforms such as iPhone™, Android™, BlackBerry™, Windows Mobile™, MacOS™, webOS™, and others
- Includes optical mouse, IR remote, additional viewing and control PC software, LAN & BNC video cable, & power supply, Central Station Monitoring Software, Flash Drive with 2GB or more memory

SES264PRO: 4 CH DVR

SES265PRO: 8 CH DVR

SES266PRO: 16 CH DVR

DVR Hard Drive Storage Information:

All Security Labs DVRs include Seagate® SV35 Series type hard disk drives created specifically for the surveillance industry, incorporating unique features that provide a better solution than drives intended for other uses. SV35 Series type hard drives are designed to save power and space, run 24/7, provide an average useful life >1,000,000 hours, and improve reliability in digital surveillance solutions. A four year warranty is included on the HDD at no additional charge.

Trademarks listed above remain the intellectual property of the company or manufacturer.
