 - Mounting hardware

SLC-110 Standard Body Color CCTV Camera

The SLC110 is a high strength steel cube housing a high performance B/W CCD camera. Small and rugged, this camera is a perfect solution for small mounting areas. Features include an auto electronic iris, a sensitive internal condenser mic, and a 1/4" x 20 mount on both the bottom and top of the camera.

The 4mm wide angle lens will generate a view that is 18' vertical and 24' horizontal at a distance of 20' from the camera.

The SLC-110 kit includes a power supply, 50' of audio-video-power cable, a swivel mounting bracket for adjustable viewing, and mounting hardware.

Additional lenses for the SLC-110:

SLL160: 8mm lens. Generates a view that is 9' vertical and 12' horizontal at 20' from the camera.

SLL165: 12mm lens. Generates a view that is 6' vertical and 8' horizontal at 20' from the camera.
