

**SLC-141C**

**Color Vandal Dome w/ Super HAD & Audio**

# security labs

## **Features**

- Camera type: 1/3" Color Super HAD CCD
- Video: NTSC, composite 1V p-p, 75 ohm
- Light sensitivity: .2 LUX
- Iris: auto electronic
- Resolution: 380 lines
- Lens: 3.6mm wide angle
- Built in anti-aliasing and IR cut optical filter
- Audio: Sensitive condenser mic
- Power: 12VDC, 120 mA, 2.1mm jack
- Low profile size: 2.5" height x 3.75" diameter
- Temperature Range: 14 to 122 Deg. F.
- Power suppression circuitry for transit use

## **SLC-141C Vandal Dome Camera**

Compact and vandal resistant, this mini dome is ideal for transit use or commercial applications. The camera view is adjustable by removing the dome and changing the angle of the manual pan and tilt mount. The Super HAD and DSP chipset has high sensitivity, low smear, high anti-blooming and high signal to noise ratio.

## ***Designed for the demanding mobile environment***
