

SLM411

12" B/W Video Monitor

# security labs

## Features

- Steel cabinet 12" B/W CRT
- Automatic detection of NTSC or PAL video signals for global applications
- 1,000 lines of resolution at center
- Video input signal: 1 Vp-p composite video
- Scanning system: EIA 525 lines, 60 fields/sec.
- Audio input with rotary control
- Audio and video looping outputs
- Switchable input impedance
- Power requirements 100 to 240VAC 50/60Hz
- Power consumption: 30 W
- Monitor weight: 23 lbs
- Dimensions: 13"D x 12.5"W x 12"H
